Silver Oaks Homeowners Association Newsletter

Neighborhood Improvements

Our landscaper is developing a proposal to redo the landscaping in front of both entrance signs at Billtown Road and Vintage Creek Drive this fall. We will include tree replacement behind the north entrance in the proposal.

Our landscaper will also be looking at the islands throughout the neighborhood to see what improvements we can make to enhance the neighborhood.

The new walking path will be sealed this fall. This is necessary to protect the new asphalt. The board will continue to seal the path, as recommended by the contractor, to make sure it stays in good condition for years to come.

The board has begun contacting vendors for the repair and painting of the black horse fence that goes behind the homes on Vintage Creek Drive and Napa Ridge Way. This work should be completed in the next few months.

Officers needed!

The HOA requires volunteers from the neighborhood to operate. If you are interested in serving, please contact us at board@silveroaksneighborhood.com.

Volunteers needed!

There are a few residents already working on Jeffersonstown annexation. If you are interested in helping, please contact them at silveroaksjtown@gmail.com.

Sign up for Emails

Please visit our website, www.silveroaksneighborhood.com and click "Silver Oaks Email Sign-up" to receive an electronic copy of the newsletter and other neighborhood news!

Mailboxes and Algae—Extended

Due to the wet weather in May/June, we have extended the date.

The board will be focusing on two items that will help our neighborhood appearance, mailboxes and the green algae on siding. We are asking all residence to take a look at their mailboxes and mailbox posts and repair/paint or replace if needed. Remember to check your house numbers on the mailbox. House numbers should be on the right side of the newspaper box and should be visible. Contact information for US Post is at the bottom of the 2nd page of the newsletter.

There are also many homes with green algae on the siding. Your local hardware store sells many do it yourself cleaners that can be applied with a garden hose. You can also search the neighborhood Facebook group for power washing company recommendations from your neighbors.

We would like homeowners to address both of these issues by August 31st.

COMMUNITY EVENTS

Silver Oaks Movie Night

The Withrow Group will be sponsoring a movie night in the common area of Dry Creek Way and will be featuring the newly released Dumbo. Come down about 8:30 pm with your blankets, chairs, snacks and coolers to watch this family-friendly movie under the stars!

Saturday August 17th
8:30 pm—?

FROM THE BOARD

Neighborhood Restrictions Reminder

If you haven't done so recently, be sure to review the DCCR for a refresher. Here are a few quick points to remember!

Article V Use Restrictions

F. Basketball Goals

- a. Portable basketball goals shall be placed at least twenty-five (25) feet off the street, or other greater distance as required by Metro Ordinance, between the dates of September 1st through February 28th. All basketball goals shall be maintained to preserve an attractive appearance and kept in an operational state. Only nylon nets are permitted.
- b. Permanently installed basketball goals may be located in the yard or adjacent to the driveway. Approval by the governing body of the Association is required for all permanent basketball goals and their placement.
- c. All permanent goal posts must be metal.
- d. Backboard assembly and all mounting apparatus must be commercially manufactured of materials that will not weather, warp, or disintegrate.
- e. Only black bases and poles are acceptable. Only a shooting square outline shall be identified on the backboard. Logos or multiple colored bases, poles, and backboards are prohibited. Backboards must be clear, plexiglass, glass, or of the "Gorilla" brand or similar type. No wooden backboards are allowed.
- f. A net is required at all times. Only nylon nets are permitted.
- g. All parts of the basketball goal shall be properly maintained.
- h. With the exception of maintenance and repair, a basketball goal shall not be modified in any respect, nor shall the location of permanent goals be changed from the location approved by the governing body of the Association.
- i. In no event shall the goal be placed within twenty (20) feet of the street
- j. The governing body of the Association may require removal of any basketball goal that it reasonably determines to be a nuisance, either to the neighbors or by reason of being in a state of disrepair. The governing body of the Association may require a resident who applies for approval to install a permanent basketball goal to agree in writing to remove the basketball goal upon the request of the governing body of the Association if, in the governing body of the Association sole judgment, the basketball goal is either not being properly maintained or is being used in a manner that unreasonably disrupts surrounding residents k. Permanent basketball goals must be in compliance with all applicable codes and ordinances, and approval by the governing body of the Association does not warrant or imply compliance with such codes and ordinances.

You can find a copy of the amended Declaration of Conditions, Covenants and Restrictions, which contains these and other important rules on our website <http://silveroaksneighborhood.com>.

Please remember that we all agreed to these restrictions when purchasing our houses. Hopefully none of them are a sur-
